## **ABOUT INDORE**

Indore is a historic city, the capital of the Holkars, known for its architectural splendour. Major industrial houses like Kirloskar, Eicher, TATA International, L&T, Cummins and with MNCs like TCS and Infosys have presence in the city to make it a business potential city. Indore is a growing education hub and the only city to have IIM and IIT. The city is well connected by all means of transport and has direct links with all metros of the country. State capital Bhopal, located about 80 kms to the east of Indore and is a major junction for trains bounding North, East and West.

Places of Interest around Indore: Ujjain & Omkareshwar, Jyotirlings, are located within 100 kms. of Indore. Maheshwar, the first capital of Holkars, and Mandu, the once thriving sociocultural centre, more popular for the romantic legend of BazBahadur and Rani Rupmati are located nearby.

## **OBJECTIVES OF THE CONFERENCE-**

To provide a common platform to Academicians, Researchers, Scientists, Industry Professionals and Students to showcase their research work and create a forum for effective exchange of ideas, to tackle the future education pattern and global challenges from the perspective of "Repositioning Educational System: Innovate and Achieve". The main objective of the Conference is to highlight the Educational Traits & Organizations' ever-increasing bench-mark of Indian Education on Global Platform and critical need to encourage innovative solutions with potential Teaching Technology.

## **ABOUT THE CONFERENCE-**

Education provides us an unlimited scope to perceive problems under three situations- concrete, abstract and intuition. The important segment of Education - the ability to reason and think clearly- is extremely useful in every aspect of life. In recent decades research in different education has developed a view that the knowledge growth occurs through interactions among a variety of learners. Fundamentally, the Conference is concerned with Repositioning Educational System: Innovate and Achieve. However, the first consideration is the Innovation in different contemporary ideas and to achieve the goal.
