## MESSAGE FROM DIRECTOR

**Dr. Mona Tawar**  
M.A. (English), MBA, Ph.D.  
Director

The future of the world lies in the advancement of managerial education. We wish to fulfill this cherished desire and to participate in the development of the nation. We constantly work to develop a sense of discipline and good moral character, where all students are expected to conform to high disciplinary standards and to develop values of tolerance, fair play, compassion, integrity, and fortitude. This is imperative because as Rose F. Kennedy, once said, "Neither comprehension nor learning can take place in an atmosphere of anxiety." I have great gratification in expressing my thoughts as the Director of Pioneer Institute. Our Institute holds the multiple distinction of being amongst the best when one considers the present status of Management and IT education today. We pride ourselves for offering services in the field of education with Indian cultural ethos from the last many years. The effort is to impart value based education to all is uppermost in the mind of our Chairman.
